

Request for Use of Restricted Pesticides (Plant Protection Products)

“Use one sheet for each Compound”

General Information:

Farm Operator / Group of operators (Responsible) Name & Signature:	
Farm Name & Code / Group of operators Name & Code:	
Country	
Agriculture Season	
Crop (Scientific Name & Common name):	

Technical Information:

Product is	<input type="checkbox"/> Purchased <input type="checkbox"/> self-manufactured
Product Trade name / Commercial Name	
Product is also registered under other names, as / is identical with	
Compound Name/ Active ingredient* “Please attach copy of technical sheet of compound if available”	
Is the Plant Protection Product registered in your country?	<input type="checkbox"/> Yes * <input type="checkbox"/> No In case of yes please write the registration number:.....
Manufacturer Name, address and website (if known)	
Reasons for application	
Concerned Crops	
Quantity of Pesticide intended to be applied per Fed. / G H:	
Mode of application “Spraying, dipping,...etc.”	
Possible genetic modification of ingredients or substances/microorganisms used for production: provide evidence for absence	
Product/process	Possible use/contamination with GMO
Microbial products	Used micro-organisms may have been subject to recombinant DNA techniques or other forms of genetic engineering.
Ingredients of agricultural origin (e.g. vegetable oil)	Crop may have been genetically modified.
Production of one or more ingredient in a fermenter system using micro-organisms	Used micro-organisms may have been subject to genetic engineering.
Mineral oil named in the list of ingredients above (incl. CAS-Number) is composed predominately of paraffinic and naphthenic fractions with 50 percent boiling point (10 mm Hg) between 415 and 440 °F (212 and 226°C)?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Attachments:	<input type="checkbox"/> Technical datasheet / product specifications (formulation) <input type="checkbox"/> Safety datasheet, other relevant data sheets (if applicable). <input type="checkbox"/> Products approved for use according to an EU regulation 2018/848 as well as EU regulation 2007/834 in combination with 2008/898 as equivalent standards by an accredited certification body: add copy of the certificate or approval documents <input type="checkbox"/> Labels and recommendations for use. <input type="checkbox"/> Important: For products containing microorganisms or risky ingredients (corn, canola, soy etc): a declaration of compliance with the prohibition of genetically modified organisms pursuant to Regulation (EC) No 834/2007, Please refer to the website of EGYCERT <input type="checkbox"/> Other (Please submit any other information you considered relevant)

Chief Inspector Decision :

☐ Request Approved

☐ Request Not Approved*

Explanation why request is refused:

.....

Signature :

Date:

Stamp:

* This Decision may be appealed to EGYCERT within 15 days.
